

Maximo Park, Apply Some Pressure

You know that I would love to see you next year
I hope that I am still alive next year
You magnify the way I think about myself
before you came I rarely thought about myself
Behind your veil I found a body underneath
inside your head were things I never thought about
you know that I would love to see you next year
I hope that I am still alive next year

What's my view?

well how am I supposed to know

write a review

well how objective can I be

X2

you know that I would love to see you in that dress

I hope that I will live to see you undressed

the every day is part of what consumes me

the hate I feel is part of what fuels me

I testify to having guilty feelings

I must confess I'd like to be caught stealing

you know that i would like to see you in that dress

I hope that I will live to see you undress

What's my view?

Well how am I supposed to know?

I like to wait to see how things turn out

If you apply some pressure

X2

What happens when you lose everything

you just start again

you start all over again

apply some pressure you lose some pressure

apply some pressure you lose some pressure
