## Maxwell, Ascension

Oooooh...

It happened the moment, when you were revealed 'Cause you were a dream that you should not have been A fantasy real You gave me this beating baby This rhythm inside And you made me feel good and feel nice and feel loved Give me paradise

[1] - So shouldn't I realize You're the highest of the high If you don't know, then I'll say it So don't ever wonder [repeat 1]

So tell me how long
How long it's gonna take until you speak, babe
'Cause I can't live my life
Without you here by my side
Ooh...
You gave me the feelin', feelin' in my life
