[1] - Let me groove with you mamma
Cause I can't take it any longer
C'mon n' dance with me baby dance with me

I got my eye on you
I watch the way you groove
You look so very cool
The way your body moves

I like the way you shake your body all around
So damn glad you came but I just wanna get down
So

But don't you know
That I like the way you shake yo' body all around?
I don't wanna play no games I just wanna get down
