

# Maxwell, I'm You: You Are Me And We Are You

I'm you  
You are me and we are you  
You are me and we are you

Estoy alcanzando  
Muy profundo adentro  
Profundo en mi  
Donde ella vivir  
Un vuelo alto  
Como si un cielo  
En frente de mi  
Donde tu vas a estar

I'm you  
You are me and we are you  
You are me and we are you

I'm reaching for this deep inside  
This deep in me  
Where she resides  
A higher fly as if a sky  
beyond the me  
Where you will be

I'm you  
You are me and we are you  
You are me and we are you  
I'm you  
You are me and we are you  
You are me and we are you
