

Maxwell, Lonely's The Only Company (Parts I & I

CHORUS: Lonely's the only other company
Less you're the love no other love can be
Since you went away my heart
It's ripped into shreds torn apart
'Cause baby

(Chorus)

Since you went away I just
Look into all other faces with no trust
Cause baby

Lonely's the only one
Lonely's the only love
And I'm lonely just because
You left me lonely

Oh baby
Lonely's the only other company baby
Lover there ain't no other
Since you went away from me
