

Maxwell, Mello:Sumthin' (The Hush)

So if it's cool, I want you
I love you until you're
Black and black and black and blue
Till the police comes through
What...can't hear you
What... you ashamed of me
Come on...got a little secret

It's on the hush, only you and I will know
It's on the hush, it's on the hush
It's on the hush, only you and I will know
Only you and I will know
It's on the hush, only you and I will know
I'm not gonna tell nobody, I'm not gonna tell you're mamma
It's on the hush, only you and I will know

So if it's cool, I wanna rock with you
I wanna rock you baby
Slip you my mello smooth
You know, you know what to do
(I'm not gonna tell nobody)
Rock you until you're blue
So if it's cool, (if it's cool)
Then we can do (we can do) a little sumthin

(Spoken) Y'all wanna do a little sumthin tonight

So if it's cool, we can do a little sumthin'

Sumthin...woo
Sumthin...woo woo
Sumthin...woo
Sumthin...woo

Thank You
