

# Maxwell, Was My Girl

turn the lights down low  
sumthin' you gotta see  
gotta let you know  
all thats here in me  
say you wanna go  
so we can both break free  
baby, lady

ya won't open up wide  
how could you not open up wide?  
how could you do that to me, child?  
when you know, know i love you girl

turn the lights down low  
tell me what you can see yeah  
tell me what you know  
bout everything you and me  
baby if you wanna go then  
i gotta place we can be  
lady, lady

how could you not wanna, wanna, wanna, open, open wide?  
how could you make me right ha ha?  
how could you, how could you do that to me, why?  
when you know that i love you girl  
loved you girl

turn the lights down low  
gotta let you know
