

Mayday Parade, Sleepers Just Don't

Scary movies and nightmares to follow
I'm such a wreck when your not around
and this house is haunted
I swear it's true
But what do I care when it's your ghost that's in my room

I see you
But I can't touch you
and it's killing me (and it's killing me)
It's killing me so good
I see you

But I can't touch you
and it's killing me (and it's killing me)
It's killing me so good

I'm looking at the stars
I hope you see them too
I miss you
I miss you so good

Everything I do
Reminds me of you
I can't do this without you

I see you
But I can't touch you
and it's killing me (and it's killing me)
It's killing me so good

I see you
But I can't touch you
and it's killing me (and it's killing me)
It's killing me so good

(guitar)

I see you
But I can't touch you
and it's killing me (and it's killing me)
It's killing me so good

I see you
But I can't touch you
and it's killing me (and it's killing me)
It's killing me so good
