

Mayer Hawthorne, The Walk (Explicit - ft. Rizzle Kicks)

(So long you did me wrong)
(So long you did me wrong)

Baby, what you're doing now (ooh) you're pissin' me off
Mmm but your hair is so luxurious (ooh) and your lips are so soft, mm-hmm
(Anyway you slice it - ooh) you're doing me wrong
Mmm But I love the way you walk now (ooh) and your legs are so long.

Well your looks had me putty in your hand now
(hand now)
But I took just as much as I can stand now
(I can stand now)

And you can walk your long legs baby right out of my life
(So long you did me wrong)
Yeah you can walk your long legs baby right out of my life
(So long you did me wrong)

From the moment that I met you (ooh) I thought you were fine, so fine
But your shitty fuckin' attitude (ooh) has got me changing my mind, yeah
(Everybody tells me - ooh) I need to let go, I know
But your cocoa butter skin now (ooh) has got me beggin' for more, well

Well your heels keep on runnin' through my head now
(head now)
Tryin' to deal but I'm coming to the end now
(end now)

And you can walk those high heels baby right out of my life
(So long you did me wrong)
Yeah you can walk those high heels baby right out of my life
(So long you did me wrong)

Tell me why-eye-eye, why'd you turn the blues skies cloudy grey
You know why-eye-eye I-eye-eye, I can't let you keep treatin' me this way

Oh, you've been jerkin' me around but (ooh) I kept my eyes shut, yeah
Cause you're shaped like an hourglass (ooh) but I think your time's up, (kept my eyes shut, yeah y

Well your heart's like a black blackened piece of coal now
(piece of coal now)
and I doubt that you ever had a soul now
(had a soul now)

And you can walk your cold heart baby right out of my life
(So long you did me wrong)
Yeah you can walk your cold heart baby right out of my life
(So long you did me wrong)
Let's all get out, yeah
(So long you did me wrong)
Keep on walkin' now
(So long you did me wrong)
Leave me alone
(So long you did me wrong)
Ooh, I'm glad I'm off on my own
(So long you did me wrong)
