

Mazz, Love Of My Life

You're my warmth, you're my sunshine
You're my beautiful flower in the spring
You are my hope, my inspiration
Darlin' you are my everything,
That's why I love you so much

In my world, you're the love of my life
I'm in love it's so easy to see
In my dreams you're my bright shining light
When I wake, you are the one thing that I see

El amor se mi vida eres tu,
Yo sin ti no pudiera existir
En mis sueos la luz eres tu,
Con tu amor, yo me siento feliz
