

Mazzy Star, Disappear

just because
you call my name
I cannot hear
it's not the same
(can't close my/you close your) eyes
and knock me back
all the things that I had to (have/live)

(and now you)...just...(fallen...)
I can't believe what I had to say
all the things you never say
I'll never be what you want me to be
now I can't disappear

close your eyes and look at me
I can't believe what I cannot see
everything is like you say
change your mind and you'll have to forgive

and I can't disappear
now I can't
now I can't
