

# Mazzy Star, I've Been Let Down

I've been let down  
and I'm still coming round  
I've been pulled down  
and I'm still coming round for you  
coming round for you

take away everything that feels fine  
catch a shape in the circles of my mind  
make me feel like I belong to you  
make me feel it even if it ain't true

catch a train on a silver afternoon  
a thousand miles and I'm gettin' there too soon  
take me there, when I should be going home  
tell me why I'm still feeling (all) alone

I've been let down  
and I'm still coming round  
I've been pulled down  
and I'm still coming round for you  
coming round for you
