

Mazzy Star, Let That Be

I don't care if you're leavin' on the train
I think all of your music's done in vain
And I don't care about the girls that you lay
I'm not the one who sees you anyway
You came to that
If I can set you free
Let that be
Won't you let that be
I don't care if you're going home
I think all of your music's done all wrong
And I don't care if you live in misery
Things apparent are the things you just can't see
You came to that
If I can set you free
Let that be
Won't you let that be
