

Mazzy Star, Now That You're Gone

When you were down
I was around
But don't you call
Out my name
Because you know it ain't the same
Anymore
Anymore
When you were young
I was around
But I wouldn't listen to you
'Cause you're driving me wrong?
But you know it ain't the same
Anymore
Anymore
Because when you're young and so in love
So in love inside
But even though i tell you this now
I really, really don't care
No I don't care
No I don't care
When you were young
I was always around
But I wouldn't listen to you
'Cause you're driving me wrong?
But if you hear me i guess you know
What I think?
