

# Mazzy Star, Taste Of Blood

Red oh red  
The taste of blood  
On lips of wine

Red so silent  
Wait a minute  
Or just a little while

What are you looking for  
The taste of red  
The taste of fear  
From your seemingly convincing smile

Red oh red  
The taste of blood  
On lips of wine

The time is waiting  
Maybe takes away from your demise  
From your demise

Say you're slippin'  
Maybe so  
It's not easy  
Now you know
