

# Mburu Sheila, Eat The Rich

Well I woke up this morning  
On the wrong side of the bed  
And how I got to thinkin'  
About all those things you said  
About ordinary people  
And how they make you sick  
And if callin' names kicks back on you  
Then I hope this does the trick

'Cause I'm sick of your complainin'  
About how many bills  
And I'm sick of your bitchin'  
'Bout your poodles and your pills  
And I just can't see no humor  
About your way of life  
And I think I can do more for you  
With this here fork and knife

Eat the Rich: there's only one thing that they're good for  
Eat the Rich: take one bite now - come back for more  
Eat the Rich: I gotta get this off my chest  
Eat the Rich: take one bite now, spit out the rest, uh huh

So I called up my head shrinker  
And I told him what I'd done  
He said you'd best go on a diet  
Yeah I hope you have some fun  
And a don't go burst your bubble  
On rich folks who get rude  
'Cause you won't get get no trouble  
When you eats that kind of food  
Now they're smokin' up their junk bonds  
And then they go get stiff  
And they're dancin' at the yacht club  
With Muff and Uncle Biff  
But there's one good thing that happens  
When you toss your pearls aside  
Their attitudes may taste like shit  
But go real good with wine

Eat the Rich: there's only one thing that they're good for  
Eat the Rich: take one bite now - come back for more  
Eat the Rich: I gotta get this off my chest  
Eat the Rich: take one bite now, spit out the rest, uh huh

Believe in all the good things  
That money just can't buy  
Then you won't get no bellyache  
From eatin' humble pie  
I believe in rags to riches  
Your inheritance won't last  
So take your Grey Poupon my friend  
And shove it up your ass!

Eat the Rich: there's only one thing that they're good for  
Eat the Rich: take one bite now - come back for more  
Eat the Rich: I gotta get this off my chest  
Eat the Rich: take one bite now, spit out the rest

Eat the Rich: there's only one thing that they're good for  
Eat the Rich: take one bite now - come back for more  
Eat the Rich: don't stop me now I'm goin' crazy  
Eat the Rich: that's my idea of a good time baby
