

Mburu Sheila, This Smile

smile for the camera (click)

When i walk into a crowded room
I seem to fade into the background
And when i open my mouth to say hello
everyone seems to ignore the sound

Chorus

This smile you see
masks all my fears
This smile you see
Holds back my tears
This smile u see
hides a multitude
of insecurities
This smile

Even when i'm in a room full of people
I still feel completley alone
And i'm looking for that special place
a place to call my home

chorus

This smile, this smile
covers all my pain
This smile, this smile
disguises all my hurt
oh oh this smile

Chorus

oh this smile

do u still want me to smile
