Everytime I pick up the mic and start spittin  
The sidewalk of new york will start bumpin  
Jumpin around,with the muthaf\*\*kin pound  
And I'm down to the fullest,and breakin niggas ass off proper  
Did you right,thats right,cause I got you in my pocket again  
The new jacks,the new jacks,use to be my niggas when I ran way back when  
I boasted,and roasted,and coasted to the clinical cause ill do it again.  
Like percision,cut the two lines in the division.  
Plus,what I add loose as flutes. it's gaming foe sale like prostitutes.  
I never had love for hoes,to put it blunt.  
They want me in the back,but bitch I'm in the front.  
Dont front,and really I don't need a reply.  
Pull yourself together as you pass me bye.  
Im on a whole nother level,them hoes is left  
I told you befoe,keep ya pussy to yourself  
Goodbye,some many niggas lied to have  
Funny what a muthaf\*\*ka do for math  
I got rats caught up in my everday actions,point  
Equal to your realist satisfaction
