

# Mc Chris, Beetlejuice

im deathly pale bad breath bad teeth  
hate the sand and the sun never see me at the beach  
i'll stick with goth chicks transfixed on death  
that wear black britches i insist on nice breasts

i sleep in a grave lived through the black plague  
actually that's all my fault but dont wiki that k?  
green hair downstairs boogers farts and phlegm  
that's my stock in trade see me startin trends

black and white striped suit or a blood red tux  
got jack on my hat in japan it's a must  
i can change shapes do pranks and disguises  
bioexorcist im the best in a cirisis

parents wanted me to clean up like my brother  
boss used to say i didnt work well with others  
now im independent and my methods are effective  
say my name three times if you want to get connected

beetlejuice beetlejuice one two three  
i like a little lady name lydia deetz  
her demeanor is depressed i confess that's sweet  
dont try to deny she's my bride to be

hey kmart shoppers there's a sale on my services  
im here to help there's no need for your nervousness  
i'll eat what u wanna eat swallow what u say  
relieve you of your living that are ruining your day

have you read the handbook for the recently deceased  
it's too thick like my dick when i think of little deetz  
she's the key to my release from this model existence  
coffin lining's confining and i want out this instant

me and the dragster of doom we're the baddest of dudes  
we hit the inferno room where the ladies get nude  
but we're eternally screwed so i become a bridegroom  
and get lovely lydia to lip synch an i do

i must move the maitlands out of my way  
give'm zipperlips pitch a plate on their face  
say hello to hammer hands say goodbye to goulet  
and then off to fla where my review drew raves

shrimp glove face plant  
we like cassettes not 8 track  
clown face much like  
the one you'll see in dark knight  
being dead kinda sucks  
the afterlife's no fun to us  
im the name that people trust  
the juice that comes from beetleguts
