

# Mc Chris, Super Mario Bros Rap

Its 1986 I'm in the 1st grade,  
I'm workin really hard to get Mario laid.  
I got to save the princess so he could get the pussy,  
believe me Mario will get that ass, so f\*\*k Luigi.  
Mario really wants to get her in bed,  
so bad that he's bustin' up bricks with his head.  
He just wants sex,so forget the wedding bells,  
jumping on mushrooms,led,and turtle shells.  
Droppin down green pipes and secret passageways,  
Makin his move to the end,  
where the final castle lays.  
Eat a magic mushroom grow a little higher,  
eat a white flower and spit balls of fire.  
All these creatures that attack,won't cut mario some slack.  
Oh shit hold on i'll be right back...

I'm gonna beat the game if it takes me all summer,  
it's gotta be hard to get laid if your a plumber.  
That's why I'm gonna work extra hard for my man,  
and get him to the end so he can stop usin his hand.  
Mario doesn't want to get hit, he'll shrink,  
the princess won't f\*\*k a little kid, I think.  
So stay calm and attend to your own,  
and eventually the princess will attend to your bone.

(Chorus)

Save the princess quick,  
because she wants a dick,

and if you let her free,  
you get the pussy.2x

Bowsers tryin to get head from the princess,  
but if it was up to me that shit'll stop this instant.  
cloud people throwin little spiked animals,  
green plants with teeth and attack like cannibals.  
i heard nobody yet run in the princess oven ,  
and mario always says, virgins' i love 'em.  
I hate the koopa troopas so im gonna run up,  
and jump on teh back of their shells till i get 1 of UP.  
Im gonna keep playin and im never gonna quit,  
cuz some kid told me you could see the princess tits.  
I wanna beat it before any of my frineds do,  
so i could say i put pussy on mario's menu.  
At the end of each level i jump and get the flag,  
and say to myself another castle in the bag.  
i hope bowsers ready cuz he's in for a ride,  
and mario's serious when it comes to homicide.  
The princess is a freak even though she has class,  
Mario will take a plunger and put it in her ass.  
i hate the cannons that shoot at you constantly,  
and i hate the platfroms that fall out from below me.  
Its all worth while,just to see mario smile  
standing next to the princess buttnaked profile,  
That's why its my crusade to get mario laid.  
Super Mario Brother's best game ever made.

(Chorus)
