

# MC Lyte, Beyond The Hype

I, am, back on the scene  
I'm takin it to the extremes  
New blend, I've been schemin  
Raw type stuff I know you've been fiendin  
Waitin for, such a long time  
for MC Lyte to drop another dope rhyme  
Well I deliver as quick as you call my name  
I'm beyond the hype, beyond the fame  
So now, I prove to you  
That I can shake you groove you and move you too  
I am, too much to bear  
to touch and then share  
Once you've had one taste one touch one bite  
All you want is M-C Lyte!  
And I deliver as quick as you call my name  
I'm beyond the hype, beyond the fame

Chorus:

We've got to try to move beyond  
I'm comin  
We've got to try to break on through  
To the extreme  
We've got to try to move beyond  
Beyond the hype  
We've got to try to break on through!

Can't, you, see, I'm beyond the hype  
And all that type of jazz and pizazz  
I'm, into, reality  
Forget the fantasy, this is me  
Beyond the hype, so don't believe  
what you read, cause they'll deceive  
So now I come to you  
telling no lies, the truth is in my eyes  
Unlike the broadcasters on the news  
who try to tell you, the donts and the do's  
The media blows things out of proportion  
The public's eye, proceed with caution  
It's a dog eat dog world  
but we'll be alright  
All we gots to do is stick together  
and move beyond the hype

Chorus 2X (w/ variations)

You, must, trust when I say I'm here to stay  
and believe I'll never leave  
Haste, makes, waste  
The track is all that, so pick up the pace  
Forget the rumors, gossip, shit-talk  
Besides that's old news, and that can walk  
I'm beyond that, you are also  
Release the negative vibe and let it go  
So now, I come to you  
Bearing gifts that certainly uplift  
From coast to coast, Midwest I'm the most  
but still, not on a high post  
I'm comin, just call my name  
Beyond the hype, beyond the fame  
Down to Earth, I'm just that type  
to take you and move beyond the hype

Chorus 2X (w/ variations)

I'm comin (3X)  
To the extreme  
Beyond the hype  
Beyond the hype...
