MC Lyte, Can You Dig It

I got the charm and the wit of a pop hit but I'm street.. & amp; amp; quot; Catch the beat& amp; amp; quot; Don't drop it, just don't stop it Don't you dare step off the topic that I got a one-track mind and this track's all mind the whole three four five six seven eight nine in the pocket, burstin in the air are rockets Creatin lots of Lyte -- get it? How many different ways can I say it? Piano Man, how many ways can you play it? I spell it out, the L-Y-T-E Without a doubt.. & amp; amp; quot; Got to be funky! & amp; amp; quot; And it damn sho' nuff is It gotta be like that, in this rough biz of music, baby, use it or lose it What's funky is funky, you can't refuse it I got a grip on the groove and it won't move an inch until I pinch this party

"Can you dig it?"
