

MC Lyte, Don't Cry Big Girls

[VERSE 1]

This is Lyte, and I'm just here to say
That I choose to express my feelings this way
Always alone, either with a microphone
Or just plainly emphasize the tone
Of my voice, cause yo, I know I'm your choice
So when I am speaking, show your gratitude
While I am teaching, I have no attitude
I'm just here to get the job totally done
85% work, 15% fun
Sometimes I admit, I get so excited
Rhyme for rhyme, I just can't fight it
Can't stop the flow, it's just too persistant
