MC Lyte, Trg (The Rap Game)

TRG we making that cream People get fooled it ain't easy as it seems You can rock on till the break of dawn but one by one your ass is gone I got trapped in the rap game at sixteen and saw it's no more than a crap game, know what I mean? Like when you feel you shake 'em right they fake roll snake eyes in the this industry that's how quick niggas die Through my eyes its like Russian roulette Never do you know when you about to get wet So you should stay set so you don't fall and go under Have people saying I wonder what happened to him or her It's sad when you being to think you can be gone but you can be gone in the blink of an eye, don't ask why cause you try Somebody came along that was twice as fly I remember when I hit the seen it was the second faze Rope chains two finger rings, those where the days Latin quarters m y puma suit was cool Now let me be caught in that and I'll be damned a fool ya gotta changed with the times like the weather MC's that lasts is the MC's that's clover You can't move to slow cause when it's to time to go, you see it's to time to go TRG we making that cream People get fooled it ain't easy as it seems You can rock on till the break of dawn But one day brother your ass is gone TRG we making that cream People get fooled it ain't easy as it seems You can rock on till the break of dawn But one day sister your ass is gone Come back after come back, nigga came back more wack than the wackest wax on the rack, what's up with that New Jacks are coming through taking no slack They hungry and they looking for a spot to cop a squat You better watch the clock it can be awfully embarrassing to not know when it's time to let go of the rhyme it's about half past the monkeys ass You should have been gone but you still trying to hang on, what happens when you chilling at the level on the 10th floor nobody knows your name anymore, aren't you? Wait and let me think, just as quick as you got large you can quickly shrink & amp; amp; sink into the crates and collect dust, don't be mad cause it happens to best of us TRG we making that cream People get fooled it ain't easy as it seems You can rock on till the break of dawn but one by one your ass is gone TRG we making that cream People get fooled it ain't easy as it seems You can rock on till the break of dawn but one by one your ass is gone To and from they come and go, you better change your flow And then switch up your show, I seen some come with the booming ass hits, then they gone but then they don't leave with shit, you better tell an exec you need to be set So when it's over you ain't living out your Land Rover when you rap life dies And you still alive nigga, you better know how to survive it ain't easy and it ain't supposed to be Letting niggas know what time it is When it comes to me the L-Y-T-E

stronger than the ox the octane that

knocks in your brain I sustain
my mission is to maintain sane, know what I mean
Keep doing my thang, you can't move too slow
Cause when it's your time to go you gotta go, gotta go
TRG we making that cream
People get fooled it ain't easy as it seems
You can rock on till the break of dawn
but one by one your ass is gone
