

# MC Ren, You Wanna Fuck Her

(CHORUS)(2x)

You wanna fuck her, do you wanna fuck her,  
The bitch is a ho, yo I thought I'd let you know  
You wanna fuck her, nigga you can fuck her,  
The bitch is a ho yo I thought I'd let you know

The bitch is a stripper but thinks she's a star  
Still rides the bus, can't afford a fuckin' car  
Try to be the shit, needs a foot up the ass  
Ya stanky stanky bitch get a new bus pass  
I see her all the time gettin' kicks from hard dicks  
Your pussy really stinks, who the fuck bought you drinks  
At the club, waitin' till two  
So you can have a niggaz dick shoved in you  
Yo, don't know the meanin' of cleanin' your cock  
Ya burnt seven niggaz, yo, around the block  
You always leave a trail, 'cause your pussy, it smell  
Fuckin' ho, ya need to quit thinkin' that you're the shit  
Your stomach fulla nut and just flushed a baby  
Ya dumb fuckin' bitch yo ya must be crazy  
So get back in your place ya little bitch I ain't no sucka  
'Cause all my niggaz fucked her

(CHORUS)

Well here we go in this video bitch  
Crabs on her pussy, got no choice but to itch  
Yo, she suckin' niggaz dick for two seconds of airtime  
Went so fast, didn't see your triflin' ass  
Always at the functions fuckin'  
Always into somethin', fuck it, you ain't worth nothin'  
You're like a disease that's what you are  
Fucked the Whole Click in the back of my car  
Then had the nerve to leave a stain on my seat  
I shoulda slapped yo ass for doin' the same to my sheets  
Every week you're on Soul Train  
Lookin' like a ho, doin' the same fuckin' thing  
Stretch marks, lookin' all nasty and shit  
Tryin' to keep down your shirt to prevent from gettin' hurt  
But 'cha brought it on yourself ya ho  
Ya lost a stupid bitch and don't know where the fuck to go  
So quit tryin' to pretend  
'Cause you'll get broke down by a nigga named Ren  
So peep it out real slow  
Next time you about to pimp a ho

(CHORUS)

If ya wanna fuck her think again  
She might not be the type of bitch you wanna put your dick in  
But she might suck a good dick, yo, and make ya nut quick so  
Never let her go 'cause she's nothin' but a ho  
But then again she might start to bitch 'cause she's nothin' but a bitch  
Shoot the bitch, a dead bitch, then bury the bitch, a gone bitch  
What else can I say to take the place of that?  
I saw my nigga DJ Trane shoot a bitch in the back

(CHORUS)
