

Mc5, Let Me Try

I'll be your singer
You'll be my song
I'll lay you down softly
I'll love you long
I'll be there
To keep you satisfied

If you'll only let me try, hey, hey.
Let me try, hey, hey, yeah!

You've been neglected
You've been abused
But I'll give you pleasure
Deep inside of you
I'll always be near
Right there by your side

If you'll only let me try, hey, hey.
Let me try, hey, hey, yeah!

Let me try, hey, hey.
Let me try, hey, hey, yeah!

I'll play you like music
I'll sing you like a song
I'll lay you down gentle
I'll love you strong
I'll dry your teardrops
Each time you cry
Wrap you in my arms
Set you on fire

If you'll only let me try, hey, hey.
Let me try, hey, hey, yeah!

I'll be your singer
You'll be my song
La da da da...
