

# McAuley Schenker Group, Gimme Your Love

Bet you're gettin' the wrong idea 'bout me  
Bet you're thinkin' there's more than the eye can see  
I'll tell you somethin', then maybe again I won't  
'Cause now you see me, but who knows, maybe you don't  
Time after time...you had your chances and you threw them away..oh no..  
Don't waste my time, 'cause I don't need the glory  
That's all I want to say.....

Chorus:

Gimme your love  
You know what it does to me  
-Drives me crazy....ain't tellin' no lies  
Gimme your love  
With you I feel satisfied  
When you're by my side  
I tell you no lies  
It's on the line....can't think about nothin' else  
Suits me fine, 'Cause I know we're two of a kind  
To trust myself is something I just can't do  
So how the hell..girl...am I going to trust you?  
Night after night....two crazy people getting high on their love  
Crazy love....

Don't stop me now, I got a one-way ticket straight to your heart..oh no..

Repeat Chorus

Bet you're gettin' the wrong idea 'bout me  
I bet you're thinkin'...there's more than the eye can see  
Well, you should talk...I know quite a bit about you  
Don't look so worried, just do what we both want to do  
'Cause time after time..you had your chances and you threw them away  
All away.....

You cut it so fine with your advances honey,  
Now I know just what to say  
Repeat Chorus
