McAuley Schenker Group, Here Today - Gone To

Such a strange obsession coming over me Seems that I can't face that stark reality Need to find the answer Need to find a way I don't know what I'm doing here from day to day Pre-Chorus: As far as I can see now The reason's very clear Is there nothing left for me....Oh..... Chorus: Here today, gone tomorrow I hear you say No more joy, only sorrow...no other way Here today, gone tomorrow I hear you say One last itme before you walk away Bent on self destruction I can feel the pain This advice you've given me Is all in vain Repeat Pre-Chorus Repeat Chorus Did I hear you whisper....? Almost reached that point now The point of ne return Getting closer to that edge.....oooh, I'll never learn! Repeat Pre-Chorus

Repeat Chorus
