

McAuley Schenker Group, Nightmare

Nightmare lying here in the dark
Scared like my dreams made their mark
I wonder
Dreamer always alone
Lost in a part of myself I can't find anymore
I wonder if it's gonna end tonight

I can't sleep alone anymore
I need you here with me
Even though I closed all the doors
There's somethin' holdin' me

Never Ending Nightmare
Always there instead of you
Never Ending Nightmare
No escape this time from you

Lately been around someone new
Needed to fill in the space
That once sheltered you
Still I worry, if you're gonna be alright

I can't sleep alone anymore
Need someone here with me
All I ever wanted and more
My dreams are fighting for

Never Ending Nightmare
Always there instead of you
Never Ending Nightmare
Punishing me for the things I do
Never ending Nightmare

No escape this time from you
