

McFly, Honey I'm Home

I don't know where I belong
Or where I've been coming from
Anytime I see your face
I find my way
I know my place
That's when I say

Honey, honey, honey I'm home
Feels like I've been here all along
Did you even know I was gone
Honey I'm home
Did you even know I was gone
Well honey I'm home

I could sail the universe
Reach the end and hit reverse
It doesn't matter where I roam
Or how far I go
My mind is blown
That's why I know

Honey, honey, honey I'm home
Feels like I've been here all along
Did you even know I was gone
Honey I'm home
Did you even know I was gone
Honey I'm home

Some may say that there's a price to pay
Through someone else's eyes you'll see a brighter day
I tell you now I'll never fly away
Wherever you are is where I wanna stay
Is where I'll stay

Honey, honey, honey I'm home
Feels like I've been here all along
Did you even know I was gone
Honey I'm home
Did you even know I was gone
Oh honey I'm home
Honey I'm home
Honey I'm home
Honey I'm home
