

# McFly, Not Alone

Life is getting harder day by day  
And I don't know what to do, what to say  
And my mind is growing weak every step I take  
It's uncontrollable. Now they think I'm fake, yeah

Coz I'm not alone, no, no, no  
I'm not alone, no, no, no  
I'm not alone,

And I, I get on the train on my own  
And my tired radio keeps playing tired songs  
And I know that there's not long to go  
Oh, and all I wanna do I just go home

[chorus]

People rip me for the clothes I wear  
Every day just seems to be the same  
They just swear  
They just don't care [x3]

[chorus]

Na na na na's

Coz I'm not alone, no, no, no  
La la la la, yeah, yeah. I'm not alone,
