

# McFly, She Left Me

She walked in and said she didn't wanna know  
Anymore  
Before i could ask why she was gone ut the door  
I didn't know, what i did wrong  
But now i just can't move on

Since she left me  
She told me  
Don't worry  
You'll be ok you don't need me  
Believe me you'll be fine  
Then i knew what she meant  
And it's not what she said  
Now i can't believe that she's gone

I tried calling her up on her phone  
No one's there,  
I've left messages after the tone...  
Really?  
Yeah man loads

I didn't know, what i did wrong  
But now i just can't move on

[Chorus]
