

# McFly, Shine a Light

Tell me are you feeling strong,  
Strong enough to love someone,  
And make it through the hardest storm  
And bad weather

Will you pull me from the flames?  
Hold me 'til I feel no pain,  
And give me shelter from the rain.  
Forever

Where can I find her?  
She took the light and left me in the dark, yeah  
She left me with a broken heart, yeah  
Now I'm on my own.  
If anybody sees her

Shine a light on her  
Shine a light on her  
Shine a light on her  
If anybody sees her

Tell me can you hear my voice  
Loud and clear above the noise  
And even if I had the choice  
I would not give up

Where can I find her?  
She took the light and left me in the dark, yeah  
She left me with a broken heart, yeah  
Now I'm on my own  
If anybody sees her

Shine a light on her  
Shine a light on her  
Shine a light on her  
If anybody sees her

Shine a light on her  
Shine a light on her  
Shine a light on her  
If anybody sees her

She took the light and left me in the dark, yeah  
She left me with a broken heart, yeah  
Now I'm on my own  
If anybody sees her

Shine a light on her  
Shine a light on her  
Shine a light on her  
If anybody sees her

Shine a light on her  
Shine a light on her  
Shine a light on her  
If anybody sees her
