

McFly, Sofa, Hyundai, Administration

Tom:

Sofa...

Danny:

Hyundai...

Dougie:

Administration...

Danny:

YEAH!

Tom:

You said we're manufactured,
You guys have got it wrong,
We did this stupid challenge
And we wrote this song in half an hour.

Danny & Dougie:

Sofa, hyundai, administration.

Tom:

Oh, in half an hour.

Danny & Dougie:

Sofa, hyundai, administration.

Tom:

Our reputation to lose,
That's why we wrote the Top Gear Blues.

Danny:

Jeremy's antique,
The hamster just squeaks,
James is such a geek,
And I really want to know who the stig is.

Tom & Dougie:

Sofa, hyundai, administration.

Danny:

Who is the stig?

Danny & Dougie:

Sofa, hyundai, administration.

Danny:

Our reputation to lose,
When I sing the Top Gear Blues.

Tom:

SOLO! 1,2,3..!

(Danny's guitar solo)

Tom:

1, 2, 3, 4...

Jeremy's antique,
The hamster just squeaks,
James is such a geek,
And I really want to know who the stig is.

Danny & Dougie:

Sofa, hyundai, administration.

Tom:

Yeah, who's the stig?

Danny & Dougie:

Sofa, hyundai, administration.

Tom:

Our reputation to lose,
That's why we wrote the Top Gear...

Dougie:

My penis was huge,
When I said im going on Top Gear...

Danny:

I'm a little confused,
This is why we sing the Top Gear Blues...

ALRIGHT!
