

McFly, That's the truth

I feel like I've been put on trial with you
I know that something's wrong and I'm the one accused
When the verdict's in, it's us that's gonna lose
I can't wait for you to finally hear the truth

Cos I shouldn't have to plead my case
So much love to save

If you listen to the things that your friends say you're gonna be lonely
How can you treat me like that when I give my all to you
Cos I haven't been messing around, I would never go out and do things that you don't want me to do
Cos I can tell you right now that you'll never find evidence on me
That's the truth
Yeah, that's the truth

I need a lawyer just to talk and who's telling you what to say
They wish they had what we have and it's jealousy that's in the way
Cos I can't sit round and watch them build a case
And there's no saving us now I'm just doing this to clear my name

Cos I shouldn't have to plead my case
So much love to save

If you listen to the things that your friends say you're gonna be lonely
How can you treat me like that when I give my all to you
Cos I haven't been messing around, I would never go out and do things that you don't want me to do
Cos I can tell you right now that you'll never find evidence on me
That's the truth
Yeah, that's the truth

That's the truth

Cos I shouldn't have to prove my case
So much love to save, save, save, save

If you listen to the things that your friends say you're gonna be lonely
How can you treat me like that when I give my all to you
Cos I haven't been messing around, I would never go out and do things that you don't want me to do
Cos I can tell you right now that you'll never find evidence on me
That's the truth
Yeah, that's the truth
