

# McFly, Too Close For Comfort

I never meant the things I said  
To make you cry  
Can I say I'm sorry

It's hard to forget

And yes I regret  
All these mistakes  
I don't know why you're leaving Me  
But I know you must have your reasons  
There's tears in your eyes  
I watch as you cry  
But it's getting late

Was I invading in on your secrets  
Was I too close for comfort  
You're pushing me out  
When I'm wanting in  
What was I just about to discover  
When I got too close for comfort  
Driving you home  
Guess I'll never know

Remember when we scratched our names into the sand  
And told me you loved me  
But now that I find  
That you've changed your mind  
I'm lost for words  
And everything I feel for you  
I wrote down on one piece of paper  
The one in your hand  
You won't understand  
How much it hurts to let you go

Was I invading in on your secrets  
Was I too close for comfort  
You're pushing me out  
When I'm wanting in  
What was I just about to discover  
I got too close for comfort  
Driving you home  
Guess I'll never know

All this time you've been telling me lies  
Hidden in bags that are under your eyes  
And when I asked you I knew I was right

But if you turn your back on me now  
When I need you most  
But you chose to let me down

Won't you think about what you're about to do to me  
And back down...

Was I invading in on your secrets  
Was I too close for comfort  
You're pushing me out  
When I'm wanting in  
What was I just about to discover  
I got too close for comfort  
You're pushing me out  
When I'm wanting in  
(Yeh yeh yeh)

What was I just about to discover  
When I got too close for comfort  
Driving you home  
I guess I'll never know...
