

# McLusky, Exciting Whistle-Ah

Hippies hippies everywhere  
and not a drop to drink  
the bastards got a minibar  
you'll go far  
exciting whistle-ah woo-woo

neighbours neighbours everywhere  
they're coming through the walls  
they're semi-erect  
to my dialect  
you'll go far  
exciting whistle-ah  
exciting whistle-ah  
exciting whistle-ah woo-woo

devils devils everywhere  
and not a gun in site  
they said they came from canada  
you'll go far  
exciting whistle-ah woo-woo

hippies hippies everywhere  
and not a bloody chance  
a decent seven in this place  
you'll go far  
exciting whistle-ah  
exciting whistle-ah  
exciting whistle-ah  
exciting whistle-ah
