

McLusky, Exciting Whistle-Ah

Hippies hippies everywhere
and not a drop to drink
the bastards got a minibar
you'll go far
exciting whistle-ah woo-woo

neighbours neighbours everywhere
they're coming through the walls
they're semi-erect
to my dialect
you'll go far
exciting whistle-ah
exciting whistle-ah
exciting whistle-ah woo-woo

devils devils everywhere
and not a gun in site
they said they came from canada
you'll go far
exciting whistle-ah woo-woo

hippies hippies everywhere
and not a bloody chance
a decent seven in this place
you'll go far
exciting whistle-ah
exciting whistle-ah
exciting whistle-ah
exciting whistle-ah
exciting whistle-ah
exciting whistle-ah
