

McLusky, What We've Learned

He's a wise guy flys right by because
He put it all in to get on television
He's a wise guy flys right by because
He put it all in to get on television

Including, but not exclusive to
Should have known better and we do

He's got nothing left to say because
He gave it all up to be on television
He's got nothing left to say because
He gave it all up to be on television

Including, but not exclusive to
Should have known better and we do
