

Me And That Man (Adam Nergal Darski, John Po

My Church Is Black
My Christ is cold
My cross is pale
There is my home
My Church Is Black

My Church Is Black
My Christ is cold
My cross is pale
There is my home
There is my home

My Church Is Black

My Church Is Black
My blood runs cold
The Sun one shines
For me no more
For me no more

Black is the Moon
Cold is the Sun
Sing halleluiah
No kingdom come
No kingdom come

My Church Is Black
My Church Is Black
