Me First And The Gimme Gimmes, Come Sail Aw

I'm sailing away, set an open course for the virgin sea I've got to be free, free to face the life that's ahead of me On board, I'm the captain, so climb aboard We'll live for tomorrow on every shore And we'll try, oh Lord, we'll try to carry on

I look to the sea, reflections in the waves spark my memory Some happy, some sad I think of childhood friends and the dreams we had We live happily forever, so the story goes But somehow we missed out on that pot of gold But we'll try best that we can to carry on

A gathering of angels appeared above my head They came to us with song of hope, and this is what they said

Come sail away, come sail away Come sail away with me (x4)
