

Me First And The Gimme Gimmes, Crazy

A man decides after seventy years,
That what he goes there for, is to unlock the door.
While those around him criticize and sleep, criticize and sleep
And through a fractal on a breaking wall,
I see you my friend, and touch your face again.
Miracles will happen as we trip, happen as we speak,
happen as we speak

But we're never gonna survive, unless
We get a little crazy
No we're never gonna survive, unless
We are a little Crazy

Crazy are the people walking through my head.
One of them's got a gun, he's yelling in my ear
They think he finally lost his mind, that was five years ago
in a S.O. show

But we're never gonna survive, unless
We get a little crazy
No we're never gonna survive, unless
We are a little Crazy

In a sky full of people, only some want to fly,
Isn't that crazy?
In a world full of people, only some want to fly,
Isn't that crazy?
In a heaven of people there's only some want to fly,
Ain't that crazy?
Crazy

But we're never gonna survive, unless
We get a little crazy
No we're never gonna survive, unless
We are a little Crazy
No we're never gonna survive, unless
We are a little Crazy
No we're never gonna survive, unless
We are a little
