

# Me First And The Gimme Gimmes, Danny's Song

people smile and tell me i'm a lucky one  
and we've just begun,think i'm gonna have a son  
he will be like she and me as free as a dove  
come and see me love the sun is gonna shine above

even though i ain't got money i'm so in love with ya honey  
everything will bring the chain of love  
in the morning when i rise,bring a tear of joy to my eyes  
tell me everything's gonna be alright

pisces, virgo rising is a very good sign  
strong and kind and the little boy of mine  
now i see a family where there once was none  
now we've just begun yeah we're gonna fly to the sun

(repeat chorus)

love the girl who holds the world in a paper cup  
come on and drink it up,love her and she'll bring you luck  
if you find she helps your mind,better take her home  
don't you live alone,try to earn what lovers own...go!

(repeat chorus)
