

Me First And The Gimme Gimmes, End Of The R

Darlin, you complete me
But you make a lot of assumptions and when you are assuming things,
you make an ass out of you and me
Don't make an ass out of me

We belong together
And you know that I'm right
Why do you play with my heart,
Why do you play with my mind?
Said we'd be forever
Said it'd never die
How could you love me and leave me and never say good-bye?

When I can't sleep at night without holding you tight
Girl, each time I try I just break down and cry
Pain in my head oh I'd rather be dead
Spinnin' around and around

Although we've come to the end of the road
Still I can't let you go
It's unnatural, you belong to me, I belong to you
Girl, I know you love me,
You just don't realize
You've never been there before
It's only your first time
Maybe I'll forgive you
One day maybe you'll try
We should be happy together forever, you and I

Will you love me again like you loved me before
This time I want you to love me much more
This time instead just come to my bed
And baby just don't let me down

Ey baby, remember that one time we went to the beach and we
drink that 12'r?
We were so wasted we passed out
I got that nasty sunburn it was so getto

Although we've come to the end of the road
Still I can't let you go
It's unnatural, you belong to me, I belong to you
Girl, I know you love me,
You just don't realize
You've never been there before
It's only your first time
Maybe I'll forgive you
One day maybe you'll try
We should be happy together forever, you and I

Will you love me again like you loved me before
This time I want you to love me much more
This time instead just come to my bed
And baby just don't let me down
