

Me First And The Gimme Gimmes, Superstar

Long ago, and, oh, so far away
I fell in love with you before the second show.
Your guitar, and you sound so sweet and clear,
But you're not really here.
It's just the radio.

Don't you remember you told me you loved me baby?
You said you'd be coming back this way again. baby
Baby, baby, baby, baby, oh, baby.
I love you, I really do.

Loneliness is such a sad affair,
I can't hardly wait, to be with you again.
What to say, to make you come again?
Make you come back again
And play your sad guitar

Don't you remember you told me you loved me baby?
You said you'd be coming back this way again, baby
Baby, baby, baby, baby, oh, baby.
I love you, I really do

Don't you remember you told me you loved me baby?
You said you'd be coming back this way again, baby
Baby, baby, baby, baby.....
I love you, I really do.
