

# Me'Shell Ndegeocello, Criterion

Written by Me'Shell NdegOcello

Yeah

So its me

And some other shit

'Cause it tells you

Every thang that you wanna hear

Buy you

Say you

Take you

Know you

Know you

Soothe you

And please you

I Love you

Until these days are gone

Yeah

I Love you

Until these days are gone

'Cause I'll always Love

You

I'll always Love you

Let me ease your pain

Let me ease ya

Ease your pain

Let me ease ya

'Cause I'll always Love you

I'll always Love you

I said let me ease your pain

Let me ease ya

I said let me ease your pain

Let me ease ya

I'll reveal to you all I see

All I see, all I see

Show you the way

Let me free you

With the warmth of the rising sun

Free you

With the warmth of the rising sun

Cause I'll always Love

You

I'll always love you

Yeah

Let me ease the pain

Let me ease ya

Ease the pain

Let me ease ya

'Cause I'll always Love

You

I'll always Love you

Yes I will

I said let me ease your pain

Let me ease yah

I said let me ease your pain

Let me ease yah

Free you with the warmth of the rising sun

Let me

With the warmth of the rising sun

With the warmth of the rising sun

'Cause I'll always Love

You

I'll always Love you

I said let me ease your pain

I said let me ease your pain

Yeah

'Cause even though you break my heart  
My wretched soul won't forsake me  
Won't forsake me  
Yeah  
Cause even though you break my heart  
Don't forsake me  
Always  
Love you  
Lift me high  
Lift me high  
Lift me high  
Lift me high  
Take me high  
Take me high  
Don't forsake me  
Don't forsake me  
Hide me  
Only one that Loves me  
Only one that Loves me  
Only one to hold me  
Ease my pain  
Yeah.
