

Me'Shell Ndegeocello, God Shiva

God Shiva is imminent love and transcendent reality

God Shiva my supreme reality

I am here no longer a vision birthed into my body

I accept praise, blame, joy, sorrow

I realize we are in truth the truth we seek god

Perfect this very moment

God Shiva is imminent love and transcendent reality

God Shiva my supreme reality

Desire no more what you already possess

You are already free my nature is to love you

My soul identical to god

On a journey to return to my creator bliss

You are my mind of the mind

My eye of eye

Life of my life
