

# Me'Shell Ndegeocello, Outside Your Door

Here i sit outside Your door  
Talk to me 2x  
Here I am waiting.  
Just waiting.  
Anticipating a chance to run into you.  
I sit here for hours.  
One day I even sat through a rain shower.  
For just a glance.  
A chance to talk to you.  
You're probably wondering how I even know you.  
For now you're just my dream.  
And when I wake up I hope you talk to me.  
Here i sit outside your door  
Talk to me 2x  
I'd be content to just sit here and talk to you.  
In my dreams you love me and me only.  
The way you kiss and hold me.  
Love is what I search and search to find.  
But until then I'll just dream for the meantime.  
Here i sit outside your door  
Talk to me  
No one will ever love you more  
Talk to me  
Close your eyes  
Talk to me  
I urge you  
Here i sit outside you door  
Talk to me (repeated throughout res of song)  
I'll be good to you.  
I'd be so good to you.  
If we just stay here we could  
put on some billie holiday records  
we could  
Tell me everything that you feel.  
Everything that you want  
I just want you to stay and talk to me  
I'm just so lonely.  
I know but i'm just so lonely.  
Just close the door  
and lower the shades.  
please stay.
