Excuse me, you headin' my way?  
Tryin' to find something to brighten up my day  
Maybe I could talk to you or you could talk to me  
Your eyes seem to call out for some comfort  
Is it the everyday racism  
Or a pain from deep within  
I may not understand now but then again  
You could talk to me or we could just sit here and daydream  
Say, you headin' my way  
Two lonely hearts on the subway  
Singin' the blues on the subway train  
Black black yes it's hard and that's a fact  
But I can rise above  
When I have love  
Here comes the train  
Please don't turn and walk away stay  
We could read some Ntozake Shange  
And I loose myself in the book  
I escape to my heavenly tomb  
Or we could read The Voice  
It's your choice  
I just want to get to know you  
Your lovely black face  
Accompanied by some STRICTLY ROOTS  
As we venture it's just nice to be near you
