

Me'Shell Ndegeocello, Who Is He And What Is He

A man we passed just tried to stare me down
And when I looked at you you looked at the ground
I don't know who he is but I think that you do

Dag gummit

Who is he and what is he to you

Something in my heart and in your eyes

Tells me he's not someone just passin' by

And when you cleared your throat was that your cue

Dag gummit

Who is he and what is he to you

Now when I add the sum of you and me

I get confused and I keep coming up with three

You're too much for one but not enough for two

Dag gummit

Who is he and what is he to you

Now you think I'm one not much for intuition

Lord is that what you really think or are you wishin'

Before you wreck your old home be certain of the new

Dag gummit

Who is he and what is he to you
